Guidelines for Presentation Submission for GeoMundus 2011

Content

- Full title of the abstract
- Names of authors and involved agencies, companies or (educational) institutions
- Introduction
- Outline
- In general, include:
    - Hypothesis
    - Methods
    - Results
    - Conclusions
    - References
    - Moment for questions
- Add source to figures / tables
- On every slide include a headline / title referring to the info presented on the slide
- Include slide numbers and possibly a time indication

Design

- Format: PPT, PDF
- Time: **15 minutes** (including short discussion moment)
- Do not be generous with the use of animations
- Contrasting colours
- Use a quiet background
- Not more than a few lines of text
- Do not use all caps
